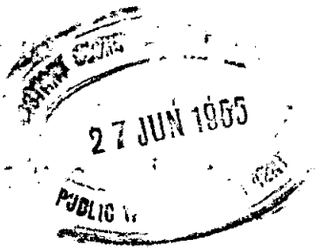
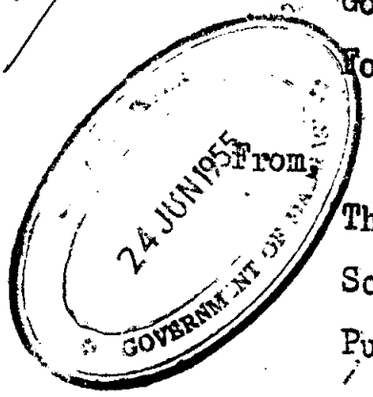
The Honourable Minister
For Public Works,
Government of Madras
Fort St. George, Madras





From,

The President
South Kanara District Highways Maistries Association
Puttur, South Kanara District.

Sir,

Sub:- Road Inspectors - Highways Department - Provincialisation of services and grant of cycle allowance - early orders -.Prayed.

While expressing our gratitude to the Government for having examined the proposals to provincialise the services of Road Maistries (now designated as Road Inspectors), we respectfully bring to the kind notice of the Government, the present miserable plight of the Road Inspectors. Most of them have already spent the major portion of their lives only in this work and perhaps they will be misfits to any other kind of profession in future. Almost all of them are the only supporters and bread-earners of their large families and have no other source of livelihood.

2. Therefore, we earnestly appeal to the Government to have pity upon us who are on the lowest rung of the services and to provincialise our services without any further delay and relieve us from anxiety and suspense.

3. Regarding the question of granting cycle allowance also we submit that it is very necessary for us as it is the only supplementary to our meagre pay to

P.T.O

sustain ourselves and our poor families. So we pray that the Government be pleased to grant us the cycle allowance and we request that early orders be passed to that effect.

For which act of kindness we shall ever remain grateful to the Government.
